## Patents

Patents 1 - 10 on **project management software send message**. (0.14 seconds)[« View all web results for project management software send message](#)[Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

### Automated, electronic network based, **project management** server system, for ...

Completion dates are based on work-days only, so the **software** accounts for ...  
of said received **message**; (d) receiving **project** plans and compiling **project** ...

### Electronic reminder system with universal email input

For example **project/property management software** may include critical date ...  
Email **message** 14 includes all the information necessary to generate and **send** ...

### Automated, electronic network based, **project management** server system

US Pat. RE38633 - Filed Aug 20, 1998

Completion dates are based on work-days only, so the **software** accounts for ...  
of said received **message**; (d) receiving **project** plans and compiling **project** ...

### Workflow **management** employing role-based access control

US Pat. 6088679 - Filed Dec 1, 1997 - The United States of America as represented by the Secretary of Commerce

This action causes OP(A2 2) to **send** a successful Sequential Routing Segment S3:  
**message** indicating the successful completion of OP(A2 2), signs- 5. ...

### Integrated of a third party **software** tool

US Pat. 5950000 - Filed Dec 6, 1996 - Sun Microsystems, Inc.

**Project** files are opened when a WorkSet is opened as is discussed in the ...  
The Started **message** is used for session **management** and to signal the initiation ...

### Dynamic **software** version auditor which monitors a process to provide a list ...

Some examples of triggers include: **send** mail to a development manager ... The mail  
**message** might include the comment that the user supplied during the ...

### System, method, and computer program product for workflow processing using ...

US Pat. 6393456 - Filed Nov 30, 1998 - Microsoft Corporation

Interoperability of workflow **management software** over 35 the Internet in ...  
them into ASCII characters and **send** the file as part of the e-mail **message**. ...

### Process control system responsive to device events

US Pat. 5608908 - Filed Oct 5, 1995 - Lucent Technologies Inc.

One way is to force the activities that cause the events to **send** messages ...  
in supporting **software** engineering, design and **project management** processes. ...

### Method and apparatus for digital media **management**, retrieval, and collaboration

US Pat. 6922691 - Filed Apr 21, 2002 - eMotion, Inc.

[« View all web results for \(workflow OR project\) management send message update](#) [Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

### Automated, electronic network based, project management server system, for ...

These can be performed by a Systems Manager, who does not require to have any knowledge of 'Project management processes'. Based on the configuration values ...

### Medical record management system and process with improved workflow features

US Pat. 5974389 - Filed Mar 1, 1996

This component also manages control of which caregiver can **update** the patient ... The **send** chart component 203 permits one caregiver to **send a message** to ...

### System and method for enterprise workflow resource management

The Plead **message** is used by the GRM to **send a message** to a higher level GRM. ... This Report **message** is used to create and **update** cache entries at the ...

### System for automated workflow in a network management and operations system

The client GUI calls on the client process to **send** a "handled" **message** to the **workflow** LCA to **update** the selected alarm reports in the network **management** ...

### Systems and methods for facilitating the exchange of information between ...

US Pat. 6115641 - Filed May 22, 1998 - BuildNet, Inc.

When an Integrated **Project Management** Subsystem 66 60 receives such a **message** it attempts to automatically handle the scheduling conflict. ...

### Systems and methods for facilitating the exchange of information between ...

US Pat. 6115642 - Filed May 22, 1998 - BuildNet, Inc.

When an Integrated **Project Management** Subsystem 66 60 receives such a **message** it attempts to automatically handle the scheduling conflict. ...

### Method and apparatus for defining and evaluating a graphic rule

A notify action object uses available electronic mail or custom facilities to **send a message** to one or more users. To 5 configure a notify action object, ...

### Systems and methods for facilitating the exchange of information between ...

Calendar entries may be used to integrate **project management**, ... System 60 on an on-going basis to monitor and **update** work progress on particular projects. ...

### Methods and systems for handling subscriber data

US Pat. 6731932 - Filed Aug 24, 2000 - Telefonaktiebolaget LM Ericsson (publ)

revision **management** parameter) is transferred to the new VLR in ISD **message(s)**.

### Control of commercial processes

US Pat. 6339838 - Filed Jan 2, 1998 - AT&T Corp.

The user then can report back a type of **incomplete** or completion status for the activity ... A parser which converts a stream of tokens into a **parse** tree 3. ...

### LDAP-based distributed cache technology for XML

Despite the relative performance disadvantage of **read** operations overall, ...  
have to support indexing over **incomplete** semi- structured databases that make ...

### Information recording device which handles a plurality of recording surfaces ...

US Pat. 6937540 - Filed Nov 7, 2001 - Kabushiki Kaisha Toshiba

**read** out from the optical disk 1001 are buffered at the temporary storage ...  
and carries out **defective** place detection, unrecorded region detection, ...

### Methods for transacting electronic commerce

It will be appreciated that the link **management**, intercept and relocation ...  
of the content available at any and all Web sites is a time-consuming **project**. ...

### Recording rate automatic setting recording device and recording rate ...

Moreover, the data processor 36 rewrites the 25 **management** information recorded  
on the optical disk 1001, and deletes the data (file or video **project**) ...

### Disk cartridge

US Pat. 6917494 - Filed Jun 15, 2004 - Fuji Photo Film Co., Ltd.

When the shells have been fixed together by ultrasonic welding, if the disk  
cartridge is deemed **defective** in a quality 35 inspection, the parts thereof ...

### Disk cartridge

When the shells have been fixed together by ultrasonic welding, if the disk  
cartridge is deemed **defective** in a quality 35 inspection, the parts thereof ...

### Database system providing methodology for property enforcement

The distinct logical relational operator, also called delta-**project**, ...  
In addition, as optimizers can be **incorrect**, one needs to constrain their choices ...

### Method and system for consolidating and distributing information

US Pat. 6915265 - Filed Oct 29, 1997 - Janice Johnson

Full cross element edits are included to flag potentially invalid or **incorrect**

### Distributed project management system and method

The **project management** software 30 includes a function 226 for creating or ...  
the primary fields is **incorrect**, the system 100 will process the information ...

### Distributed resource and project management

US Pat. 6076105 - Filed Aug 1, 1997 - Hewlett-Packard Corp.

If there are 5 no remaining **incomplete** items then control passes to decision  
process 1746. .... In process 1860 the **project management** folder is read. ...

### Method and apparatus for a process and project management computer system

**Incomplete** planning would lead to unassigned resources and an idle workforce in  
the **project**. These dynamic boundaries complicate the implementation of these ...

### Method and apparatus for distributed control of a shared storage volume

16C the **project management** process has sent the next line of executable code to the  
... each client is continually looking for an **incomplete** PMF to process. ...

### Method and apparatus for distributed control of a database

US Pat. 6009427 - Filed Aug 1, 1997 - Hewlett Packard Company

16C the **project management** process has sent the next line of executable code to the  
... each client is continually looking for an **incomplete** PMF to process. ...

### Architectures for netcentric computing systems

35 The program and **project management** tools 52 provide many key features that assist  
... because the impact analysis for a change request was **incomplete**. ...

### Project data management system and method

**PROJECT DATA MANAGEMENT SYSTEM AND METHOD BACKGROUND OF THE INVENTION** 5 This  
invention relates generally to a system and method for managing the data ...

### System, method and article of manufacture for security management in a ...

**Release Management** (268) **Release Management** involves coordinating activities that  
contribute to a release (for example, cross-project management) and the ...

### Automated process execution for project management

By using the software **project** definition module of FIG. ... JTEM is
